Soluble Iron Directions for Use

Soluble Iron can be used at any time of the year when conditions are favourable. Avoid application during very high temperatures and bright sunlight. Avoid spillage onto clothing, paths or hard surfaces as Iron stains can be difficult to remove.

Application

Half fill the spray tank with clean water, add the required amount of Soluble Iron and agitate thoroughly. Add the remainder of the water.

Precautions

Harmful if swallowed.

Irritating to eyes and skin.

Do not breathe dust.

Avoid contact with skin and eyes.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Wear suitable protective clothing, gloves and eye/face protection.

This material and its container must be disposed of as hazardous waste.

Area of use	Soluble Iron	Water Volume	Area Treated
Sports and amenity turf	10-20 kg	500-1,000 litres	1 ha
