Mascot R11 Football & Rugby **ESP2**

25%	Applaude	Perennial Ryegrass
25%	Greenfair	Perennial Ryegrass
25%	Greenway	Perennial Ryegrass
25%	Stolawn	Perennial Ryegrass

-  Sowing Rate: 35g/sq.m
-  Mowing Height: Down to 25mm
-  Available in: 20kg bags

A traditional mixture for football and rugby pitch renovation

- * Extremely high wear tolerance under both low and high nutrient programmes
- * Rapid germination and establishment
- * Gives high shoot density and good wind shield tolerance
- * Cost effective – produces less weight/vol clippings

Mascot R12 General Playing Fields **ESP2**

50%	Mercitwo	Perennial Ryegrass
30%	Greenway	Perennial Ryegrass
10%	Greenvie	Strong Creeping Red Fescue
10%	Helena	Slender Creeping Red Fescue

-  Sowing Rate: 35g/sq.m
-  Mowing Height: Down to 25mm
-  Available in: 20kg bags

A hardwearing mixture containing high quality cultivars ideal for well-used winter games areas

- * Excellent shoot density and good drought tolerance
- * Rapid establishment and recovery from wear
- * Ideal for sowing onto new sports fields

Mascot R13 Economy Mixture **ESP2**

60%	Applaude	Perennial Ryegrass
40%	Mystic	Strong Creeping Red Fescue

-  Sowing Rate: 35g/sq.m
-  Mowing Height: Down to 30mm
-  Available in: 20kg bags

A hardwearing inexpensive mixture. Ideal for general areas requiring quick establishment

- * High summer wear and drought tolerance
- * Increased competition against broadleaf weeds
- * Uniform dense sward with good year round colour

Mascot R14 Premier Winter Games Renovation **ESP2**

30%	Berlioz	Perennial Ryegrass
20%	Greenfair	Perennial Ryegrass
15%	Poseidon	Perennial Ryegrass
15%	Action	Perennial Ryegrass
10%	Colombine	Perennial Ryegrass
10%	Tetragreen	Perennial Ryegrass

-  Sowing Rate: 35g/sq.m
-  Mowing Height: Down to 25mm
-  Available in: 20kg bags

Top quality cultivars for use in high quality situations

- * Exceptional wear tolerance, density and colour appearance
- * Excellent disease tolerance, and especially resistant to Leaf Spot
- * Rapid early summer establishment with good root development
