

RIGBY TAYLOR LTD

IMPACT XP

Section 1. Identification of the substance/preparation and of the company/undertaking

1.1 Product Identifier

Product information
Product name: IMPACT XP
Product Code : 0842012/010
Marketing Company Rigby Taylor Ltd
Rigby Taylor House
Crown Lane
Horwich
Bolton
BL6 5HP
Telephone : 01204 677777
Email : info@rigbytaylor.com

1.2 Relevant identified uses of the substance or mixture and uses advised against

Use of substance / mixture: Line Marking

1.3 Details of the supplier of the safety data sheet

Company Name: Rigby Taylor Ltd
Rigby Taylor House
Crown Lane
Horwich
Bolton
BL6 5HP
Telephone: 01204 677777
Email: info@rigbytaylor.com

1.4 Emergency telephone number

Emergency tel: +44(0) 1706 212030

Section 2. Composition / information on ingredients

Substance: No Cas: No Preparation: Yes Eines: No

This product is an emulsification of pigments and water-based emulsions.

Health and Safety classification: Not applicable.

Warning symbols: Not necessary.

Section 3. Hazards identification

Eyes: Non Hazardous Skin: Non Hazardous Inhalation: Unlikely to occur

Pressure injection: Injection of all products will cause severe internal damage if not treated properly.

Special hazards after use: None known.

Section 9. Physical and chemical properties

| | |
|---------------------------------------|-----------------------------|
| Appearance: | A white semi viscous fluid. |
| Odour: | Paint emulsion. |
| Specific gravity @ 20 ⁰ C: | 1.20-1.23g/cm. |
| Boiling point (°C): | 100 ⁰ C. |
| Solubility in water: | Soluble in all proportions. |
| Other solubility: | Soluble in most alcohols. |

Section 10. Stability and reactivity

Stable

Section 11. Toxicological information

| | |
|-------------|---|
| General: | All components contained in Impact & Impact Gold are not harmful. |
| Oral: | Unlikely to be harmful. |
| Skin: | Very little effect. |
| Inhalation: | Not applicable under normal use. |
| Eyes: | Could cause slight irritation. No long-term damage envisaged. |

Section 12. Ecological information

| | |
|---------------------|--|
| General: | No long term damage to the environment is envisaged. |
| Fish toxicity: | Do not apply where aquatic life may be affected. |
| Bacterial toxicity: | No data, but not expected to be harmful. |

Section 13. Disposal considerations

| | |
|-----------------------|---|
| General: | Traces of product can be cleaned up with hot water and detergent. Residues in the packing may also be cleaned with hot water and detergent. |
| Statutory provisions: | There are no statutory requirements applicable to this product, however refer to the Local Authority to make absolutely sure. |

Section 14. Transport information

| | |
|-------------------------------|-----------------|
| Classification for transport: | Non hazardous. |
| UN/IMDG Code Class: | Not applicable. |
| UN No: | None assigned. |
